I'm writing you today not as the HRO Milwaukee Manager but as a board member for the Milwaukee Radio Amateurs' Club (MRAC). Our club will be celebrating 100 years of ARRL affiliation at Superfest. Since we are officially the oldest ARRL affiliated club the league has designated HRO Superfest 2019 (September 27 and 28) as a Central Division convention and will be sending VIPs. As of today, the ARRL CEO has been confirmed as a guest. In conjunction with Superfest, the club will be hosting a banquet the Friday night of Superfest.

We plan on printing 1,000 handouts to commemorate this event. A majority will be handed out at Superfest but also plan on handing some out at local hamfests to promote our banquet. To help offset the printing costs we are selling some advertising space.

We'd like to invite <insert manufacturer name) to support us in our historic event by buying advertising space in the handout.
